General Social Survey, Cycle 7, 1992 [Canada]: Time Use - Main (GSS, Cycle 7, 1992 [Canada]: Time Use - Main)

Enquête Sociale Générale, Cycle 7, 1992 [Canada]: L'Emploi du Temps - Principal

| Overview | |
|--|---|
| Type | General Social Survey |
| Identification | gss-12M0007-E-1992-c-7-m |
| Version | 1.0 |
| Series | The two primary objectives of the General Social Survey (GSS) are: to gather data on social trends in order to monitor changes in the living conditions and well being of Canadians over time; and to provide information on specific social policy issues of current or emerging interest. |
| Abstract Cycle 7 collected data from persons 15 years of age and older. The core content of time use repeats that of cycle 2 and provides data on the daily activities of Canadians. Question modules were also included on unpaid work activities, cultural activities and participation in sports. | |
| Kind of Data | Survey data |
| Unit of Analysis | Individual |

| Scope & Coverage | |
|--|--|
| Keywords | Ballet, Books, Comedy, Farming, Housework, Leisure time, Libraries, Museums, Music Festivals, Newspapers, Outside Maintenance, Performing Arts, Periodicals, Photography, Physical Activity, Reading, Recreation, Shopping, Sports, Theatre, Time Crunch, Time Use, Training |
| Time Period(s) | 1992 |
| Countries | Canada |
| Geographic Coverage Canada, Provinces | |
| Universe Included: People 15 years of age and older living in Canada's Provinces. Excluded: Residents of Canada's Territories, and full-time residents of institutions. | |

| Primary Investigator(s) | Statistics Canada. Housing, Family and Social Statistics Division., StatCan |
| Other Producer(s) | Statistics Canada |

| Sampling | |
|---|--|
| Sampling Procedure Stratified-Sample | |
| Response Rate A response was obtained from 9,815 of the selected households, yielding an 77% response rate. | |
| Weighting | |

Refer to part 7.1.

A self-weighting sample design is one for which the weights of each unit in the sample are the same. The GSS sample for Cycle 7 was selected using the Elimination of Non-Working Banks (ENWB) sampling technique, which has such a design, with each household within a stratum having an equal probability of selection.

Contact was made or attempted with 12,765 households during the survey. Of these, 1,577 (12.4%) were non-responding households. The non-responding households included 927 household refusals, 459 households that could not be reached during the entire survey period ("ring-no-answer" households) and 191 cases where a response could not be obtained due to language difficulties or other problems. An interview was attempted with a person randomly selected from the eligible household members of the 11,188 responding households. From these households, 9,815 usable responses were obtained. The difference consists of 509 person-level refusals and 864 cases where the interview could not be completed for some other reason.

Data Collection

| | |
|------------------------------|------------------------------|
| Data Collection Dates | start 1992-01 end 1992-12 |
| Time Period(s) | single 1992 |
| Data Collection Mode | 100% Telephone Interview |

Data Collection Notes

Two questionnaires were used to conduct the interviews: the Selection Control Form (GSS 7-1) and the main questionnaire, the GSS 7-2. Respondents were interviewed in the official language of their choice. The French and English versions of the main questionnaire were identical with the exception of question K13 "What language did you first speak in childhood?". Respondents were not asked if they still understood the language in which they were being interviewed.

Questionnaires and procedures were field tested in July 1991 in Halifax and Montreal. Data collection began the third week of January 1992 and continued through the third week of December 1992. The sample was evenly distributed over the 12 months. All interviewing took place using centralized telephone facilities in five of Statistics Canada's regional offices with calls being made from approximately 9 a.m. until 9:30 p.m., Monday to Saturday inclusive. The five regional offices were: Halifax, Montreal, Sturgeon Falls, Winnipeg and Vancouver. Interviewers were trained by Statistics Canada staff in telephone interviewing techniques, survey concepts and procedures in a two day classroom training session. The majority of interviewers had previous telephone interviewing experience.

Data Processing & Appraisal

Estimates of Sampling Error

Refer to part 8.2.

The estimates derived from this survey are based on a sample of households. Somewhat different figures might have been obtained if a complete census had been taken using the same questionnaire, interviewers, supervisors, processing methods, etc. as those actually used. The difference between the estimates obtained from the sample and the results from a complete count taken under similar conditions is called the sampling error of the estimate.

Errors which are not related to sampling may occur at almost every phase of a survey operation. Interviewers may misunderstand instructions, respondents may make errors in answering questions, the answers may be incorrectly entered on the questionnaire and errors may be introduced in the processing and tabulation of the data. These are all examples of non-sampling errors.

Group Competition Between Schools

| # | Name | Label | Type | Format | Valid | Invalid | Question |
|---|------|--|----------|-------------|-------|---------|---|
| 1 | G11 | When at school participate in any organized sport? | discrete | numeric-1.0 | 9618 | 197 | When at school, participate in any organized sport? |
| 2 | G12 | Were you involved in competitions between schools? | discrete | numeric-1.0 | 5724 | 4091 | Were you involved in competitions between schools? |

Group Less Than 30 Hours A Week

| # | Name | Label | Type | Format | Valid | Invalid | Question |
|---|--------|--|------------|-------------|-------|---------|---|
| 1 | SEQNUM | Record identification number. | continuous | numeric-5.0 | 9815 | 0 | Record Identification Number |
| 2 | H25C01 | Work <30 hours/week because of own illness/disability. | discrete | numeric-1.0 | 829 | 8986 | Work <30 hrs/wk because of own illness/disability. |
| 3 | H25C02 | Work <30 hours/week because of child care responsibilities | discrete | numeric-1.0 | 829 | 8986 | Work <30 hrs/wk because of child care responsibilities. |
| 4 | H25C03 | Work <30 hours/week because of elderly care responsibilities | discrete | numeric-1.0 | 829 | 8986 | Work <30 hrs/wk because of elderly care responsibilities. |

| # | Name | Label | Type | Format | Valid | Invalid | Question |
|----|--------|--|----------|-------------|-------|---------|---|
| 5 | H25C04 | Work <30 hours/week because other personal/family responsibilities | discrete | numeric-1.0 | 829 | 8986 | Work <30 hrs/wk because other personal/family responsibilities. |
| 6 | H25C05 | Work <30 hours/week because of school. | discrete | numeric-1.0 | 829 | 8986 | Work <30 hrs/wk because of school. |
| 7 | H25C06 | Work <30 hours/week because only found part-time work. | discrete | numeric-1.0 | 829 | 8986 | Work <30 hrs/wk because only found part-time work. |
| 8 | H25C07 | Work <30 hours/week because didn't want full-time work | discrete | numeric-1.0 | 829 | 8986 | Work <30 hrs/wk because didn't want full-time work |
| 9 | H25C08 | Work <30 hours/week because full-time work <30 hours. | discrete | numeric-1.0 | 829 | 8986 | Work <30 hrs/wk because full-time work <30 hrs. |
| 10 | H25C09 | Work <30 hours/week because of other reasons. | discrete | numeric-1.0 | 829 | 8986 | Work <30 hrs/wk because of other reasons. |

Group Spouse

| # | Name | Label | Type | Format | Valid | Invalid | Question |
|----|--------|---|------------|-------------|-------|---------|---|
| 1 | J1 | Interviewer check: Respondent living with spouse/partner? | discrete | numeric-1.0 | 9815 | 0 | - |
| 2 | J2 | Last week what was spouse/partners main activity? | discrete | numeric-2.0 | 5339 | 4476 | Last week, was your spouse's/partner's main activity working at a job or business, looking for work, going to school, keeping house, retired or something else? |
| 3 | J3 | Was he/she studying full-time or part-time? | discrete | numeric-1.0 | 110 | 9705 | Was he/she studying full-time or part-time? |
| 4 | J4 | Did he/she have a job/self employed last week? | discrete | numeric-1.0 | 2138 | 7677 | Did he/she have a job or were they self-employed at any time last week? |
| 5 | J5 | How many hours did he/she work? | continuous | numeric-5.1 | 3303 | 6512 | How many hours did he/she work? |
| 6 | J6 | Did he/she work on (designated day)? | discrete | numeric-1.0 | 3394 | 6421 | Did he/she work on (designated day)? |
| 7 | DVJ7S1 | What hours did he/she work? Start time. | continuous | numeric-4.0 | 2147 | 7668 | What hours did he/she work? Start time. |
| 8 | DVJ7E1 | What hours did he/she work? End time. | continuous | numeric-4.0 | 2144 | 7671 | What hours did he/she work? End time. |
| 9 | DVJ7S2 | What hours did he/she work? Start time 2nd shift. | continuous | numeric-4.0 | 52 | 9763 | What hours did he/she work? Start time 2nd shift. |
| 10 | DVJ7E2 | What hours did he/she work? End time 2nd shift. | continuous | numeric-4.0 | 52 | 9763 | What hours did he/she work? End time 2nd shift. |
| 11 | J8 | Last week did he/she spend time doing housework? | discrete | numeric-1.0 | 5328 | 4487 | Last week, did he/she spend any time doing housework including cooking, cleaning, grocery shopping and laundry for your household? |
| 12 | DVJ8 | Hours spouse/partner spent doing housework. | continuous | numeric-4.1 | 5006 | 4809 | Hours spouse/partner spent doing housework. |
| 13 | J9 | Last week did he/she do unpaid work: maintain home? | discrete | numeric-1.0 | 5319 | 4496 | Last week, did he/she do any unpaid work to maintain or improve your house, yard or automobile? |

| # | Name | Label | Type | Format | Valid | Invalid | Question |
|----|------|--|------------|-------------|-------|---------|---|
| 14 | DVJ9 | Hours spouse/partner spent doing unpaid work. | continuous | numeric-4.1 | 5190 | 4625 | Hours spouse/partner spent doing unpaid work. |
| 15 | J10 | Interviewer check: Anyone <15 living in house? | discrete | numeric-1.0 | 5455 | 4360 | - |
| 16 | J11 | Last week number hours he/she look after children? | continuous | numeric-5.1 | 2190 | 7625 | Last week, how many hours did he/she spend looking after children who live in your household? |

Group Transportation, Shopping etc.

| # | Name | Label | Type | Format | Valid | Invalid | Question |
|---|--------|--|------------|-------------|-------|---------|---|
| 1 | D10A | Last month, help someone with transport, shopping... | discrete | numeric-1.0 | 9730 | 85 | Last month, help someone else with transportation, shopping or getting around outdoors? |
| 2 | DVD10A | Hours spent helping someone else with shopping, etc. | continuous | numeric-4.1 | 9672 | 143 | Hours spent helping someone else with shopping etc. |

Group Consider Self Workaholic

| # | Name | Label | Type | Format | Valid | Invalid | Question |
|---|------|--|----------|-------------|-------|---------|--|
| 1 | E2B | Do you consider yourself a workaholic? | discrete | numeric-1.0 | 9370 | 445 | Do you consider yourself a workaholic? |

Group Borrow From Library

| # | Name | Label | Type | Format | Valid | Invalid | Question |
|---|-------|---|----------|-------------|-------|---------|---|
| 1 | DVF6A | Borrow book from library last week, month or 12 months? | discrete | numeric-1.0 | 9690 | 125 | Borrow book from library last week, month or 12 months? |

Group Go To Sports Event

| # | Name | Label | Type | Format | Valid | Invalid | Question |
|---|-------|---|----------|-------------|-------|---------|--|
| 1 | DVF13 | Attend professional sporting event last week/month/12 months? | discrete | numeric-1.0 | 9688 | 127 | Attend professional sporting event last week, month, or 12 months? |

Group CBC

| # | Name | Label | Type | Format | Valid | Invalid | Question |
|---|------|---|----------|-------------|-------|---------|---|
| 1 | F22 | How many hours did you watch CBC TV last week? | discrete | numeric-1.0 | 9292 | 523 | How many hours did you watch CBC TV last week? |
| 2 | F23 | How many hours did listen to CBC radio last week? | discrete | numeric-1.0 | 9466 | 349 | How many hours did listen to CBC radio last week? |

Group Dwelling

| # | Name | Label | Type | Format | Valid | Invalid | Question |
|---|------|--|----------|-------------|-------|---------|--|
| 1 | K2 | Is the dwelling owned by member of this household? | discrete | numeric-1.0 | 9615 | 200 | Is the dwelling owned by member of this household? |

| Group Language | | | | | | | |
|-----------------------|----------|---|----------|-------------|-------|---------|---|
| # | Name | Label | Type | Format | Valid | Invalid | Question |
| 1 | FORMTYPE | Form type - English or French. | discrete | numeric-1.0 | 9815 | 0 | Form Type - English or French |
| 2 | DVK13 | Language first spoken in childhood. | discrete | numeric-1.0 | 9623 | 192 | Language first spoken in childhood |
| 3 | DVK13ESU | Do you still understand English? | discrete | numeric-1.0 | 6242 | 3573 | Do you still understand English? |
| 4 | DVK13FSU | Do you still understand French? | discrete | numeric-1.0 | 2143 | 7672 | Do you still understand French? |
| 5 | DVK13OSU | Do you still understand other language? | discrete | numeric-1.0 | 1308 | 8507 | Do you still understand other language? |
| 6 | DVK14 | Language spoken most often at home. | discrete | numeric-1.0 | 9624 | 191 | Language spoken most often at home? |

Variables Description

Dataset contains 341 variable(s)

File : gss_12M0007_E_1992_c-7_m_F1

SEQNUM: Record identification number.

| | |
|---------------------------|---|
| Information | [Type= continuous] [Format=numeric] [Range= 207-27578] [Missing=*] |
| Statistics [NW/ W] | [Valid=9815 /-] [Invalid=0 /-] [Mean=14479.495 /-] [StdDev=7883.689 /-] |
| Universe | All respondents. |
| Literal question | Record Identification Number |
| Notes | SOURCE: General Social Survey, 1992. |

SURMNTN: Survey month of questionnaire.

| | |
|---------------------------|---|
| Information | [Type= discrete] [Format=numeric] [Range= 1-12] [Missing=*] |
| Statistics [NW/ W] | [Valid=9815 / 21294312.901] [Invalid=0 / 0] |
| Universe | All respondents. |
| Literal question | Survey Month of Questionnaire |
| Notes | SOURCE: General Social Survey, 1992, Derived Variable. |

| Value | Label | Cases | Weighted | Percentage (Weighted) | |
|-------|-----------|-------|-----------|-----------------------|------|
| 1 | JANUARY | 744 | 1760745.5 | | 8.3% |
| 2 | FEBRUARY | 782 | 1765767.9 | | 8.3% |
| 3 | MARCH | 762 | 1764777.9 | | 8.3% |
| 4 | APRIL | 821 | 1769905.0 | | 8.3% |
| 5 | MAY | 839 | 1770825.4 | | 8.3% |
| 6 | JUNE | 861 | 1768125.3 | | 8.3% |
| 7 | JULY | 799 | 1781073.7 | | 8.4% |
| 8 | AUGUST | 799 | 1777838.3 | | 8.3% |
| 9 | SEPTEMBER | 852 | 1778620.1 | | 8.4% |
| 10 | OCTOBER | 851 | 1783292.8 | | 8.4% |
| 11 | NOVEMBER | 860 | 1788961.0 | | 8.4% |
| 12 | DECEMBER | 845 | 1784379.9 | | 8.4% |

Warning: these figures indicate the number of cases found in the data file. They cannot be interpreted as summary statistics of the population of interest.

FWGHT: Final weight for Main File.

| # DVSPERN: Labour force status of household. | | | | |
| Information | [Type= discrete] [Format=numeric] [Range= 1-12] [Missing=*/99] | | | |
| Statistics [NW/ W] | [Valid=9484 / 20504780.475] [Invalid=331 / 789532.426] | | | |
| Universe | All respondents. | | | |
| Literal question | Labour force status of household. | | | |
| Notes | Full-time is defined as working 30 or more hours per week while part-time is defined as 29 or fewer hours per week. RESP refers to the respondent and SP refers to the spouse/partner. Please note that hours of work for spouse/partner is based on variable J5. For those respondents who stated their spouse/partner was on vacation last week (141), there were 52 cases where their spouse/partner did 0.0 hours of work last week. Since DVSPERN is based on number of hours of work, these spouse/partner responses have been assigned a value of 2, 5 or 8 for DVSPERN (ie <30 hours of work). SOURCE: General Social Survey, 1992, Derived variable from DVHRWK and questions H1, J2 and J5. | | | |
